BALOO is a one-day training event that introduces leaders and parents to the skills needed to plan and conduct pack outdoor activities, particularly pack camping. The training is designed for registered adults who may or may not have minimal camping experience but who desire to help plan and carry out an entry-level outdoor experience for the Pack. At least one BALOO-trained adult is required to be part of any outdoor experience – have ALL your Pack's adults trained to ensure a great program happens!
Come learn how to put on a quality outdoor program... and have FUN!!
